WANTED TO GET BEHIND BARS. Negro Assailant Surrendered to Prevent Mob Violence.

REPUBLIC SPECIAL

Murphyshoro, Ill., Sept. 6.—For fear of being lynched, Albert Coleman, a negro, surrendered to Sheriff Rogers this afternoon, after striking Jack Matthews, a fellow-workman, with a shovel and probably fatally injuring him.

Both were simployed with an Illinois Central construction crew south of this city. Shortly after noon Coleman called at the Sheriff's office and said he had hurt a man and wanted protection from a mob, which, he said, had gathered near the scene of the trouble. He was locked up, and Sheriff Rogers investigated the matter.

Coleman struck Matthews with a shovel several times, and he is in a critical condition. Coleman took to the woods, but stopped near enough to hear threads of the angered workmen, and decided to get behind from bars for safety.
